Accounting Excellence Awards

Individual Excellence Award

Partner of the Year

OVERVIEW

This award recognises an outstanding partner in the accounting industry, who most effectively drives growth and progress in large firms, and often successfully negotiates the pressures of national and international clients and ensures the long-term success of their firm or division.

Based on business growth metrics as well as support and servicing, the award considers the activities, strategies and actions of the partner in terms of driving increased revenue and efficiencies within their business units.

ELIGIBILITY

This award is open to all the senior members and partners of firms who are responsible for the financial direction and management of the firm that provided accounting services in the region. This includes partners, senior members or the ..
