

Leave

from: Punch Monitor

Price: £360.00

Date: 2020-07-31 08:37:23

Expiration Date: 0000-00-00 00:00:00

Description

leave management is the process used to handle any kind of time off request and to track time that employees are away from work. If paid time off is offered as a benefit, leave management systems may calculate compensation provided to absent employees and file this information in company records.
